

Digicel Imagine 5K Run for Special Needs

Saturday, October 10, 2015 · Race Start 7:00pm
Ocean Boulevard, Downtown Kingston

Important RACE NIGHT instructions!

Arrive in the Downtown area before **6:00pm** to avoid the pre-race traffic jam.
From 6:30pm to 8:30pm, all roads leading into the race route and staging area at
Digicel's Headquarters will be closed to vehicular traffic.
Don't be late! You will get a chip time **ONLY** if you start on time with the race you are entered in.

1. The Wheelchair race starts at 6:57pm, the RUN race at 7:00pm, immediately followed by the WALK race. The new FUN event begins at 7:30pm.
2. Ensure that you arrive early to avoid traffic congestion. The parking lots and staging area open at 4:00pm for pre-race activities through to the After-Party staged from 9:00pm to 11:00pm.
3. Your race bib will be used for entry into the race venue, which is an exclusive area for registered participants only.
4. The race will be timed using the MyLaps® BibTag timing system. You must have a MyLaps® bib to participate in the Digicel Imagine 5K Run and to be timed from start to finish.
5. Your MyLaps® bib is marked with your name and the event entered - either RUN, WALK, WHEEL or FUN.
6. Do not give your bib to someone else. In the sport of road racing, this is cheating!
7. Avoid folding or bending the MyLaps® bib to prevent damaging the chip. Attach your MyLaps® bib to the **FRONT** of your shirt with the safety pins provided.
8. In order to receive an official race time, you must start your registered event on time and cross the timing mats at the Start and Finish. Please note that latecomers will not receive a personal chip time, instead a clock or gun time will be posted.
9. Anyone who starts in a race they have **NOT ENTERED** is automatically disqualified. However, the FUN event is open to all registered race participants providing that they start at the 7:30pm scheduled start time.
10. The WALK race is for walkers only. Running in the WALK race is cheating and you will be disqualified.

**Each participant is responsible for knowing and complying with the race rules and regulations.
Failure to comply with the rules of Digicel Imagine 5K for Special Needs will subject you to disqualification.**

Destination Downtown

The race route takes you through Kingston's historic commercial hub, past heritage sites and buildings and through eight special Fun Zones, as we champion the cause for Special Needs. Secured parking is available at eight (8) parking lots as shown on the Race Route Map at www.RunningEventsJa.com.

Race Day Eats

Have a good breakfast, a lighter lunch and a pre-race snack at 5:00pm allowing 2 hours for digestion. Start hydrating from the day before and throughout race day. Be sure to drink 8ozs of water at least 20 minutes before the start and refuel at the two (2) Water Stations along the route.

6:30pm Road Closure

All roads leading to the race staging area will close from 6:30pm to 8:30pm. Please follow the directions of Traffic Officials as parking is **NOT** permitted in zoned areas around the Digicel headquarters building.

Bag Check

A bag check service will be provided inside the venue.

After-Party

In true Digicel style, the post-race activities will feature live entertainment and lots of prizes, surprises and giveaways.

Race Results

Using the MyLaps® BibTag Timing system, the world leader in race technology, race results will be available immediately after the race at www.RunningEventsJa.com.
