WOW... It's year 4 and we are super excited. After 3 years, the Food for the Poor 5K have raised funds to construct **over 170 houses** at over a value of US \$1,200,000. We couldn't have done it without YOUR support and love. This year, we have decided to not only focus on housing but also sustainable income. The aim is to lower the poverty level by not only supplying "fish" to the less fortunate but also teaching them how to "fish". Help us to MAKE A DIFFERENCE for our fellow brothers and sisters in need as we "build houses and create opportunities for income".
