It's the 6th staging of the Food For The Poor 5K and we are raring to go! Thanks to your generous contributions and invaluable support for the past 5 years, we have provided over 250 houses for 700 individuals across the island. Additionally, six families have benefitted from funds raised between 2018-2019 from sustainable, income-generating projects through our agriculture programme. This year, our 5K will take a stance against domestic violence by donating five houses to victims of this growing offense, once the requisite documents are in place.
